**MISSION STATEMENT**

Tweed Landcare Inc. supports people caring for our unique environment and natural resources through practical community projects

**GOALS**

Grow as an association of members who share the ideals of the Landcare movement.

Provide skills, advice and on-ground support to the community.

Initiate, develop, carry out, monitor and evaluate Landcare projects to the highest possible standards.

Carry out projects that achieve long-term environmental, social and economic sustainability.

Enhance community awareness of, and participation in Landcare.
